

POWER, RESISTANCE AND THE PRODUCTION OF TRUTH

A PRESENTATION BY PROFESSOR TANER AKÇAM

Killing Orders is a groundbreaking study of the telegrams from Talat Pasha containing orders for the killing of Armenians. At the same time, it is a case study of how to derail a systematic plan to hide and dismember the truth.

Join **Taner Akçam** as he deconstructs Turkey's denialist façade, and, for the first time in the metropolitan area, investigates certain critical aspects of the interplay between **Facts, Truth** and **Denial**, explores the creation and resonance of false narratives and shares game-changing discoveries from Father Krikor Guerguerian's archives.
