

TUESDAY, DECEMBER 5 @ 7:45 P.M.

Academy Award nominated director **JOE BERLINGER** embeds himself on the epic film set of **THE PROMISE** and then takes an unwavering look at the tangled web of responsibility that has driven a century of denial by the Turkish government and its strategic allies.

Pulling back the curtain on mass murder censorship in Hollywood, **INTENT TO DESTROY** explores the violent history of the Armenian Genocide while capturing the cinematic and political challenges of producing a historically meaningful, big-budget film in an environment rife with political suppression and threats of retaliation.
