### **PRAYER FOR REQUIEM – HOKEHANKISD**

*Lord, have mercy. Lord, have mercy. Lord, have mercy. O Christ, Son of God, forbearing and compassionate, have compassion, in your love as our creator, upon the souls of your servants who are at rest, especially upon the souls of your servants (names), for whom we are offering these prayers. Be mindful of them in the great day of the coming of your kingdom. Make them worthy of mercy, of expiation and forgiveness of sins. Glorify them and reckon them with the company of your saints at your right hand. For you are the Lord and creator of all, judge of the living and of the dead. And to you is befitting glory, dominion and honor, now and unto the ages of ages.*

**PRAYERS FOR THE SICK:** Remember in your prayers and ask for the recovery of *James Azarian, Mosses Bairamian, Hana Botie, Zoe Brooks, Frank Cornawchiulo, Jerry DiSant, Lynne Ford, Julie Frattarola, Ruben Grigoryants, John Hallak, Ryan Hallak, Varoujan Harutunian, Silva Jinivizian, Robert John Karanfilian III, Brandon Katz, Mary Ann Kral, Annette Kouchshirin, Jim & Wendy Lathey, Carmelina Mancini, Sebu Oscherician, Dan Patoyia (Moynihan), Emily Ring, Michael Sakolsky, Melanie Sarkisian, Marie Tenguerian, Greg Tenbekjian, and Clara Yeramian. We commit our sick and shut-ins to our Heavenly Father who cares and watches over all Hischildren.*

### **Book of Ezekiel**

Chapter 1 “The Vision of the Chariot”

Chapter 2 “The Vision of the Scroll”

Chapter 3 “Ezekiel at the River Chebar”

The last two Chapters of the Book of Jeremiah;

Almost as much space is given to the oracle concerning Babylon as to all the other nations combined. This national power was by far the greatest tragedy Jerusalem had ever faced. All the issues with the previous nations do not compare to the clash with Nubuchadnezzar. Yet here we have the words, “Babylon is taken, Bel is shamed. Merodoch is broken in pieces” (50:2), Their god, who claimed to be creator and king, was found to be but one more important and useless deity in the face of the great finality of God. Jeremiah was accused by his countrymen of loving Babylon more than Judah because he had urged them to surrender. Here we see how preposterous were those allegations. The prophet threw fire at Babylon, to whom he said, “You were glad, because you rejoiced, You destroyers of My heritage... you have grown fat... you bellow like bulls” (50:11). He who laughs best, however, laughs last. God always has the last word. It will be the laughter of redeemed men and women that will finally ring out over the universe. All lesser rejoicing will be silenced. There will be the final triumph of the church over the world. These oracles call out to modern men and women. Our deities have different names today but we nonetheless fall into temptation and bow to them instead of the one true God.

# RESTITUTION OF PROPERTY IN TURKEY AFTER 100 YEARS

A PRESENTATION BY  
**ÖMER KANTIK**  
*Legal Counsel*

Turkish authorities have confiscated assets belonging to non-Muslim foundations and individuals—from the beginning of the 20<sup>th</sup> Century until the 2000s—thereby eroding their capacity to serve and support their communities. There have been some positive developments since 2000.

**ÖMER KANTIK**, a member of the Turkey's Armenian community, who aims to reverse a more than century-long practice of administrative and judicial confiscation, is currently involved in over 100 restitution cases with attorneys Destina Kantik and Arda Kantik. Some properties have already been recovered through legal and administrative processes. He will share the little-known story of legal reform in contemporary Turkey, the ways in which the claims process affects minority communities, the impact of decisions of the European Court of Human Rights, pending judicial actions, and other developments.

ÖMER KANTIK represents various Armenian—Catholic, Protestant, and Orthodox—foundations including *Surp Haç Tibrevank Ermeni Lisesi Vakfi*. He also represents the various Jewish, Greek and Chaldean Foundations in Turkey, and numerous individuals.

Attorney **DESTINA KANTIK** will join and translate for her father. She is a graduate of Harvard Law School, Robert College, and Istanbul University Law Faculty *summa cum laude*. She works on minority issues and matters of commercial law and arbitration.

The presentation will be in Turkish and English.

TIME 7:00 PM EST

[REGISTER HERE](#)

**Dr. Asya Darbinyan**

**Postdoctoral Scholar at Martin-Springer Institute, Department of  
Comparative Cultural Studies, Northern Arizona University**

Dr. Darbinyan's talk focuses on the humanitarian emergency and refugee crisis at the Caucasus front during the First World War, caused by population movements as a result of war and the Armenian Genocide.

Reflecting on the experiences of the Armenian refugees in various parts of the Caucasus and in eastern provinces of the Ottoman Empire occupied by Russian troops, her research aims to uncover the perspectives of refugees and to show the role refugees themselves played in the struggle for survival.
